Průběh obhajoby bakalářské práce:
The Life and Work of Thelonious Monk and his Influential
of the Five Flora Klan

1) Can you discuss some of the methods Thelonious Monk used
in the struggle against racism and the Klan? Do you
know of any other black campaigners against racism
in the U.S. who suffered negative consequences? What
do you think motivates such people?

2) In your opinion, are there some aspects of social commentary
that can be better realized in fiction than in non-fiction
such as journalism, academia, reporting, etc.?
If no, why do you suppose this is the case?

3) Do you think the novel is the best form of literature? The Jim
Crow's Guide to the U.S. in the time of the Klan

4) Why do you find it interesting to read about this period in
history? How do you feel about this period in
history? Do you like it? Do you dislike it?
